JUL 11 78

at dawn the sun rises
splashing bits of new light
on the world

like the mentor
bestowing knowledge on
the fledgling

by midday the sun is at its
highest point, its rays most
direct, its light at full
potential

the fledgling is no
more, the adult is not yet
come

nightfall brings the stars
each a different destiny

the adult is come.

in the dawn began our journey
like the trembling rays of the infant sun
slowly we grew.

at midday came the crystallization
of ourselves.
poised in the center,
we strove to achieve our goal.

indeed, as the completion of a day,
night may seem a time of darkness
yet a moon of hope
pours down its light

to those who will see it.

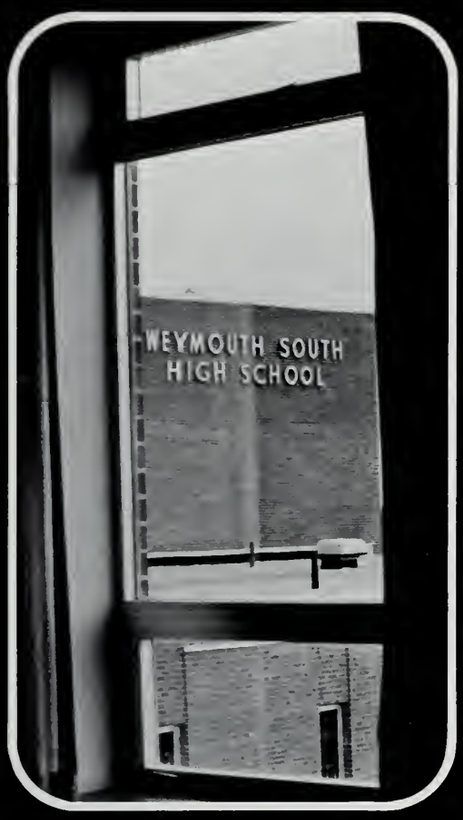
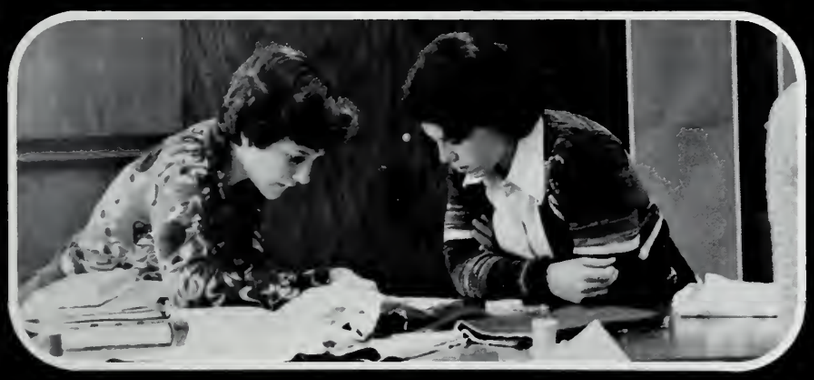
Farewell .... Senior '77'

marguerite zagrodny

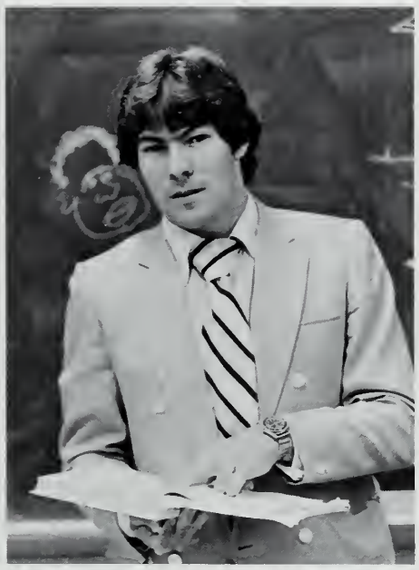




Candids

this place is for the birds

look at those cover girl eyes



do you ever get the feeling you're being watched?

ah, there she is - the love of my life

and they called it puppy love

joe proton and company

a face only a mother could love

cecil b. mc carthy

dear john...

with my poise and charm i think i can win her over

sigh, my hero

i think i need glasses

there's something in there

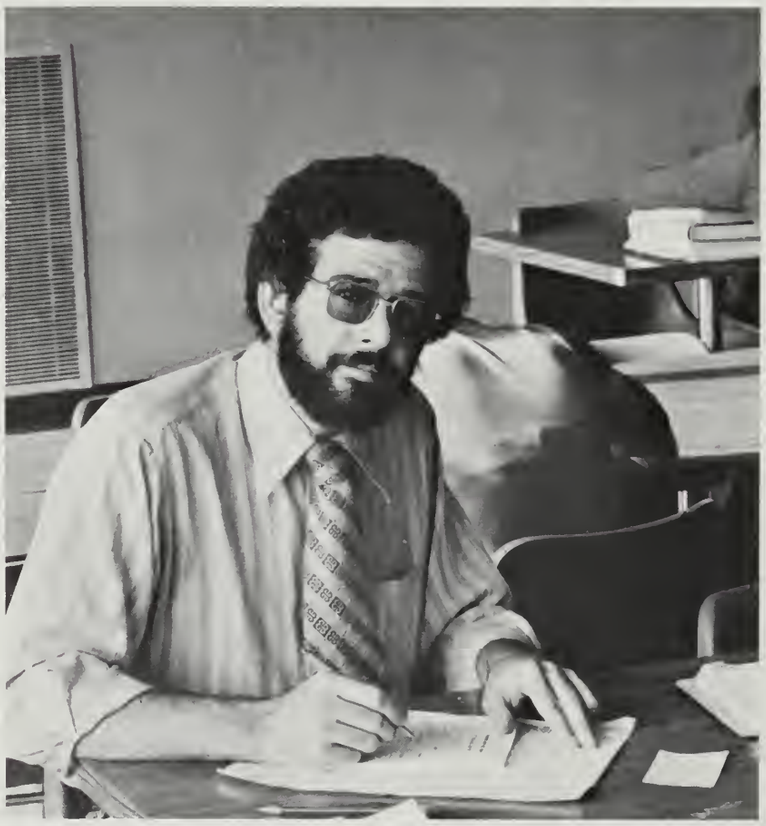
m-i-c-k-e-y m-o-u-s-e

faculty meeting

mr america, eat your heart out

ahab the arab or don hassan in native dress

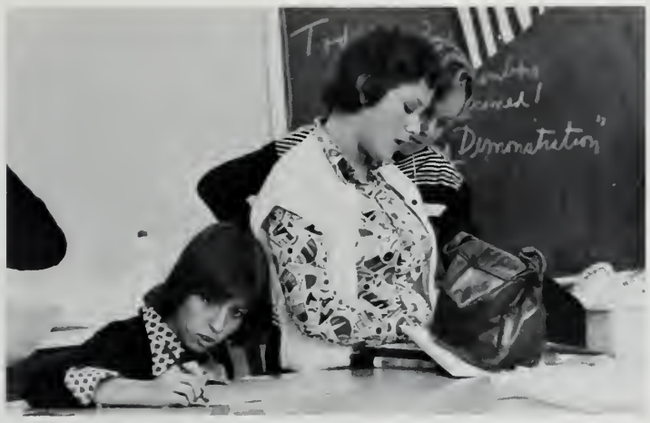
it's howdy-doody time

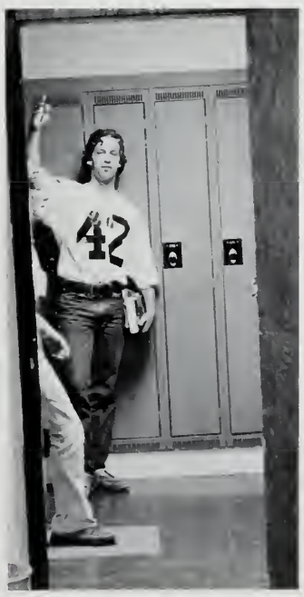


you're supposed to be a coffee table!

would you get your desk off my toes

a biological boo-boo





☆ spaceshot ☆

wait, your nose is crooked

who are you calling a brillo head?

alka-seltzer, quick!

i've got to get some more moustache wax.

sit on it!

i see it, but what do i do with it!

you say that one more time, and i'll tell my mother

did not! - did too!

if i hit this wrong, i'll end up with a million toothpicks

just leave me alone! i do too know how to run this tape recorder!

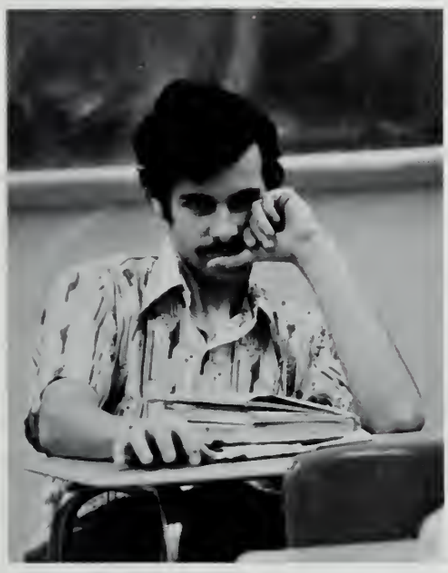
check out those nails

hi, we're the pillsbury dough boys.

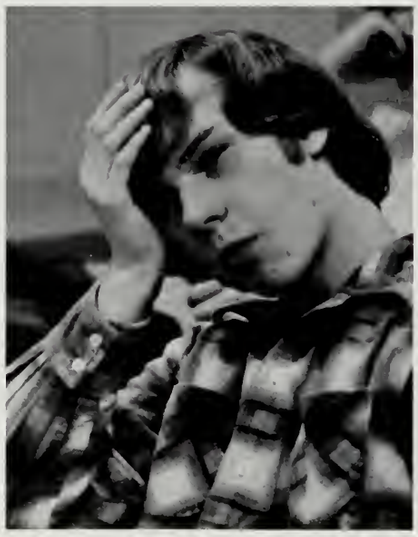
coffee, tea, or me?

when it moves, kill it!

eh, pizano!



say that again and i'll hit you with a wet noodle!



I thought that wasn't allowed in school

you mean the game's next week?

wow, what a hunk.

before cher, we would have been fired for showing a naval in the book.

back, back i say!!

my foot's stuck

i'm winning! i'm winning!

I left my pink tu-tu in the wash.

Sometimes you feel like a nut . . .

Sometimes you don't.

Hockey is Donny Merlin's favorite sport, and he says he may continue playing it for the rest of his life. Certainly Donny has the background for such longrange ambition: he has been playing the sport for ten years. His current position is the dangerous but essentiel job of goalie.
Donny's father coaches a Weymouth hockey team, so Donny has had more experience than most hockey players his age.
Donny is interested in many sports, including football and basketball.
